\$2.40 per lb. These delicious walnuts are grown in Stevens County Washington. They are in the shell, latest harvest from October 2015. They will still be good, if left in the shell or shelled and frozen for another year at least, when stored properly. Minimum order of 15#s. Weight to shell ratio is approximately 50/50. Will deliver to Colville, Northport, Kettle Falls, or anywhere in between. Call 509-768-6735.
